

# EXPERT ADVISOR POLICY

Released: 26<sup>th</sup> May 2017

NSFX is regulated by the Malta Financial Service Authority holding a Category 3 Investment Services License  
(License Number IS/56519)

**1. SCOPE OF THIS POLICY**

This document sets out NSFX's policy on the use of Expert Advisors by clients when using the NSFX Meta Trader 4 (MT4) trading platform.

**2. WHAT IS AN EXPERT ADVISOR?**

An Expert Advisor (EA) is an automated trading system written in MQL4 programming language and designed to operate on the MT4 platform.

**3. POLICY ON EXPERT ADVISORS**

NSFX is an independent legal entity and is not affiliated with MetaQuotes Software. NSFX makes no warranties regarding any MetaQuotes product or service.

There are no restrictions to the use of Expert Advisors on NSFX MT4 platform apart from EA's that actively seek to trade on false prices or that NSFX believes show evidence of market manipulation or other illegality or which could jeopardise the integrity of NSFX's trading platform. **NSFX THEREFORE RESERVES THE RIGHT TO DEACTIVATE ANY EXPERT ADVISOR OR OTHER PLUG-IN BEING USED BY A CLIENT WITHOUT PRIOR NOTIFICATION AND SHALL NOT ACCEPT ANY RESPONSIBILITY FOR ANY LOSS CAUSED BY SUCH DEACTIVATION.**

Furthermore, it is the clients' sole responsibility to test any EA and the use thereof is undertaken at clients' own risk.

NSFX cannot be held liable for any financial losses or other harm incurred through the use of third party software. NSFX has no input or association with the development of the automated trading software since these are exclusively developed and supported by third parties. NSFX does not receive any form of incentive by permitting EA's to be installed on its trading platform.

**4. CHANGES TO THIS POLICY**

Any material changes to this policy shall be notified to clients by email.
